

5-Ports USB3.0 HUB

Model: EGA H3

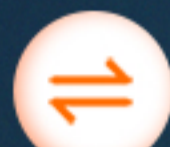

USB 3.0

5 Ports

No software required

Up to 5Gbps

HDMI

High-speed expansion of 1G files in 3 seconds

Support 3.0 high-speed transmission, the theoretical rate can reach 5Gbps large files can be easily transmitted, and the efficiency is doubled

Drive

Mouse

Keyboard

Product introduction

Brand: EGA

Material: Aluminum alloy

Color: Deep gray

Product output: USB3.0*3 HDMI*1 TPYE-C*1

USB3.0: 5Gbps, backward compatible with USB2.0 (480Mbps)

Supports HDMI resolution up to 4K@30Hz

Power Input:

Type-C PD: 20V/3A max

Applicable computer: mainstream laptop with Type-C interface

Working voltage: 5V~20V

Working current: 450~2550mA

Static power consumption: <200mA (power consumption of the unit)
