

5V 2A Charger

Model: EGA C02

Smart chips

overvoltage protection

Housing fire retardant protection

Safe charging

Total Charging Protection

Provides total protection for you and your devices

Temperature Protection

Over-current Protection

Short Circuit Protection

Over-voltage Protection

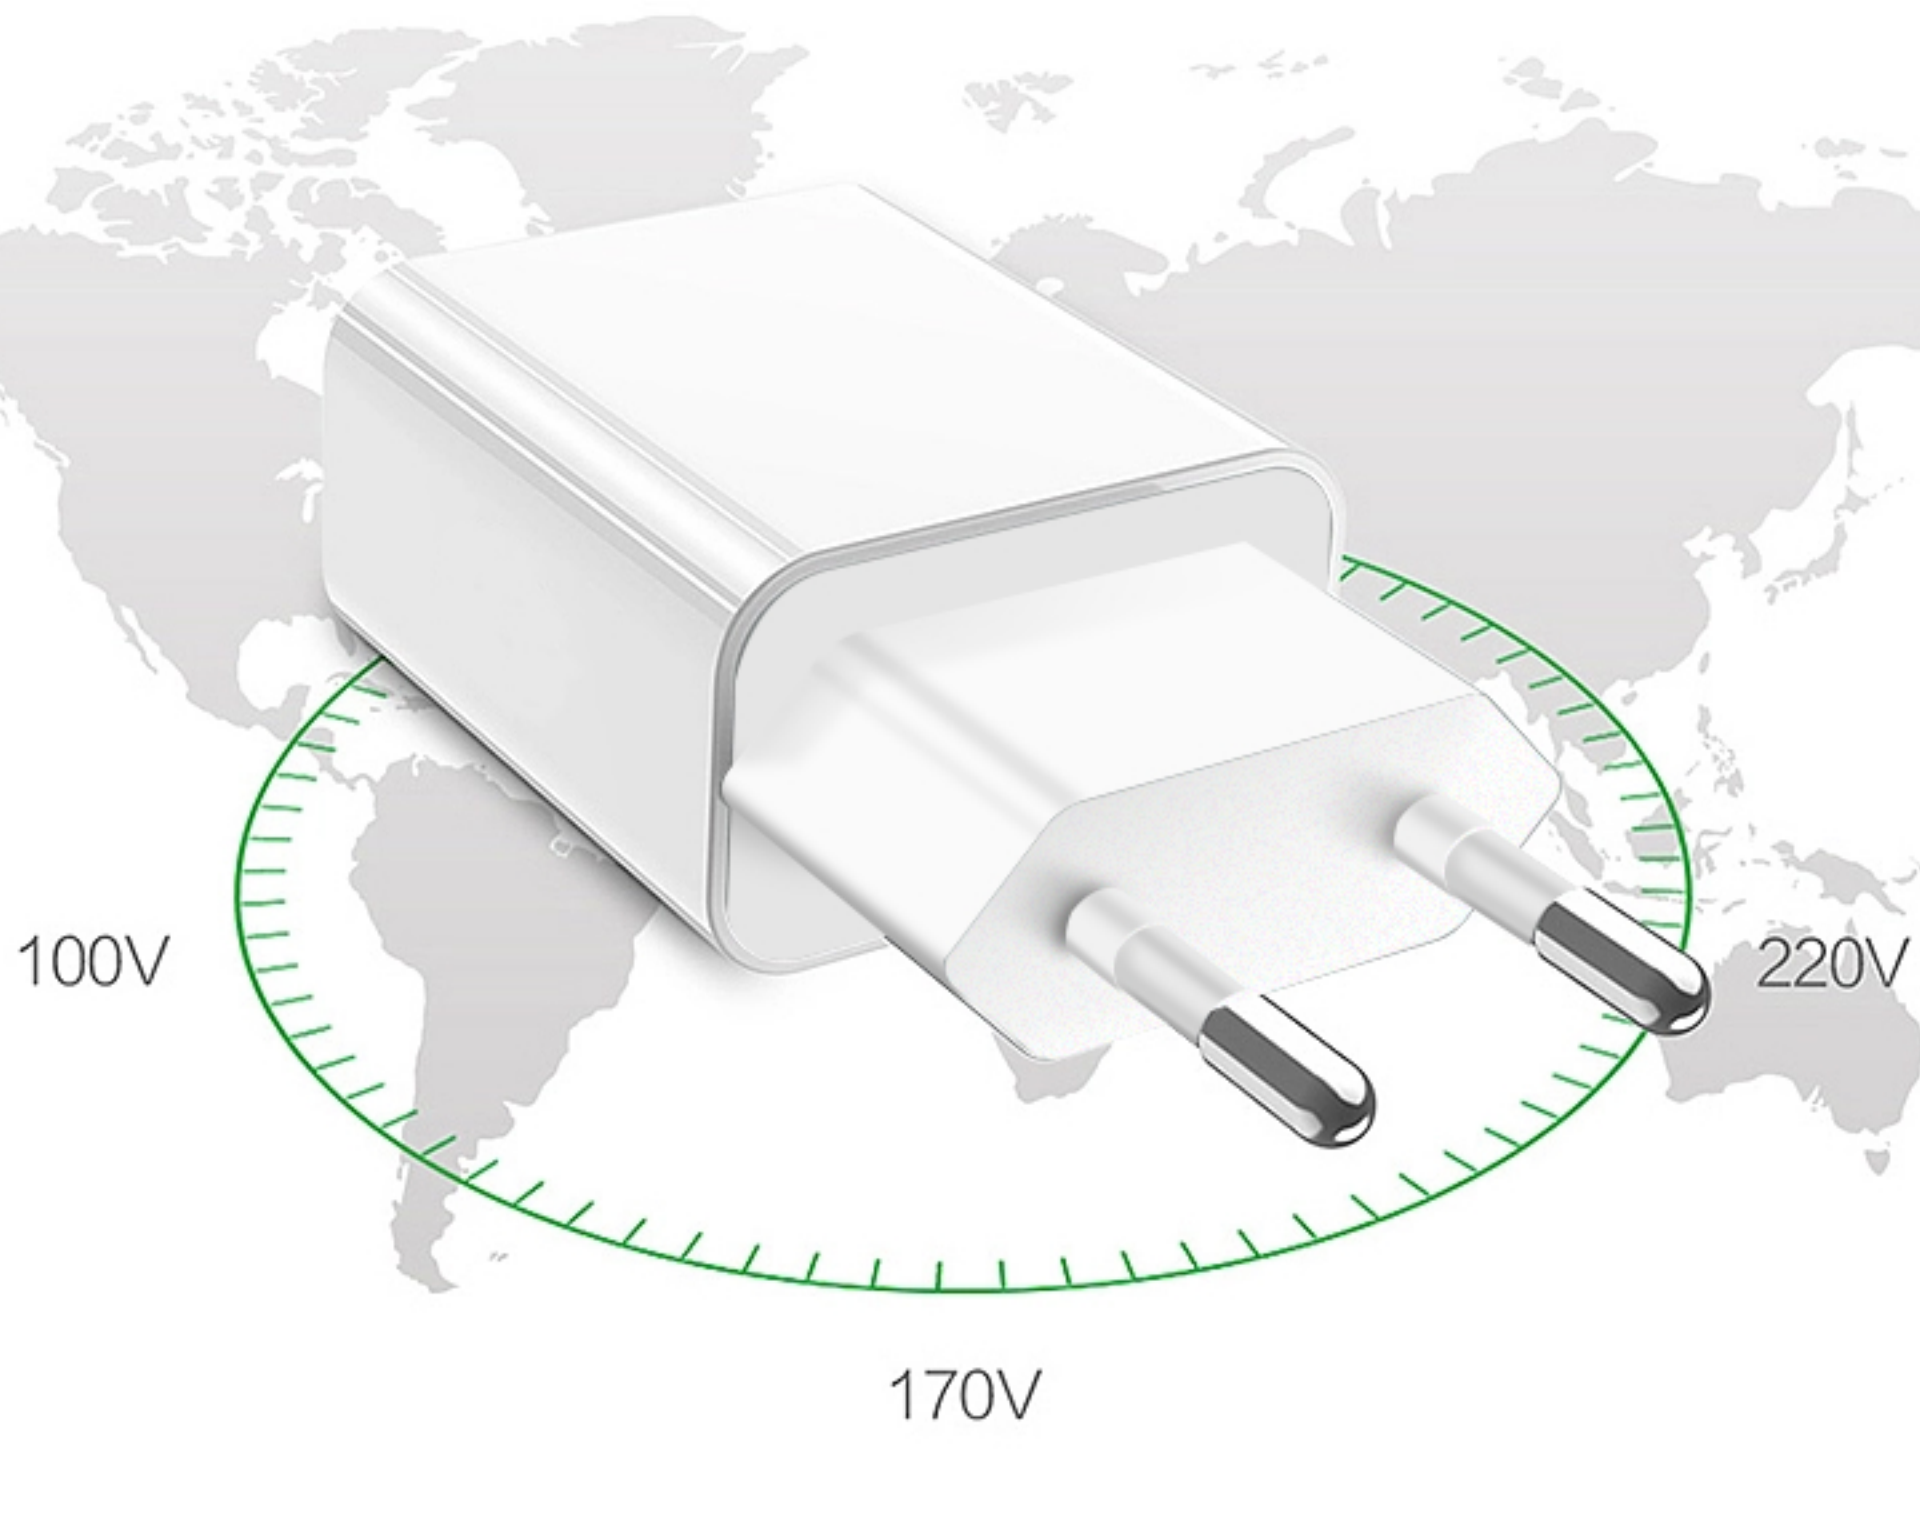

Low-voltage Protection

Broadband Voltage Design

100-240V Power Supply Voltage

Portable Size, Small and Light

Innovative Groove Non-slip Design

Product packaging:

Ordinary packaging

Exquisite packaging
